OFFICE OF LEGISLATIVE COUNSEL

Friday - 16 July 1965

1. (Internal Use Only - LLM) Mr. Albert Westphal, Staff Consultant, House Committee on Foreign Affairs, called and requested that we prepare a short paragraph which he could use to insert in the report of H. R. 6277 to justify the retroactive date for the administrative leave provision. I said we would have this down to him by Monday. Mr. Westphal indicated that Chairman Hays had received the supporting letter from Mr. McCone and that Chairman Hays was going to include that in the record also.

2. (Internal Use Only - LLM) Mr. Robert Burns, Legislative Assistant to Senator Abraham Ribicoff (D., Conn.), called in connection with a letter I had dropped off yesterday concerning a former employee, [REDACTED] Mr. Burns thanked us for the efforts we had gone through to explain the case to the Senator's office and appeared to completely understand our position. He agreed that it would be preferable if the Senator's response were limited to the two questions involved and that our full letter not be sent on [REDACTED]

3. (Internal Use Only - LLM) Talked with Mr. Jim Sledd, Executive Secretary to Representative Hastings Keith (R., Mass.), concerning his request for a detailed map of Vietnam which they could use to send to their constituents. Mr. Sledd indicated that at this time, they were unsure whether they would go through with this project. I said that if they decided to do so, we would be most willing to help in any way we could and referred him to the fact that a good map of the type he is looking for was available in the Library of Congress. He said that if they decided to move on this, he would go there for it.
